

# Get Advanced Examiner Statistics Directly in USPTO PAIR and Patent Center

With the FREE  
LexisNexis PatentAdvisor® Extension

By delivering reliable information, right at the point of need, the FREE PatentAdvisor™ Extension helps save valuable time for patent prosecutors facing unpredictable outcomes, tight deadlines and demanding stakeholders.

## Streamline processes

Critical information available right where you work enhances your workflow.

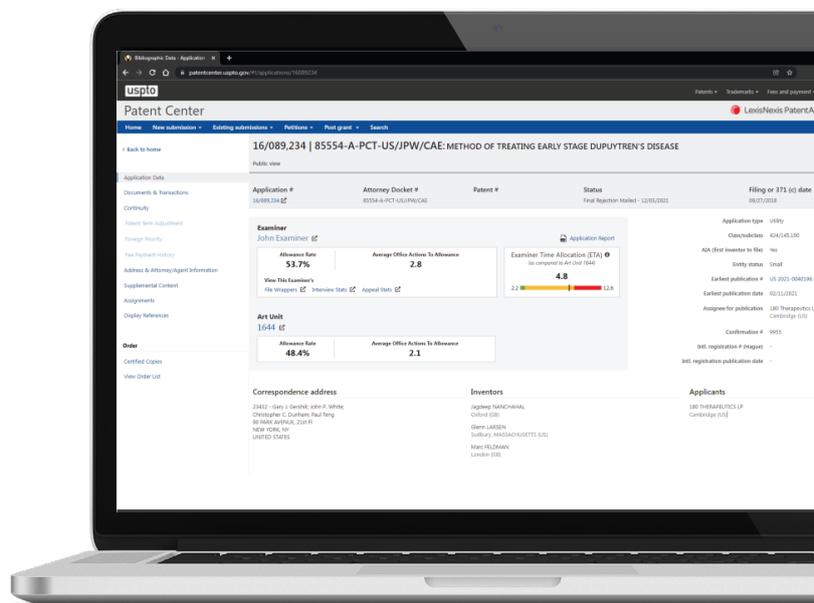

## Save time and money

Relevant data at the point of need helps identify at-risk applications early on.

## Efficiently manage resources and stakeholder expectations

Insights enable you to predict the likely length and cost of prosecution.

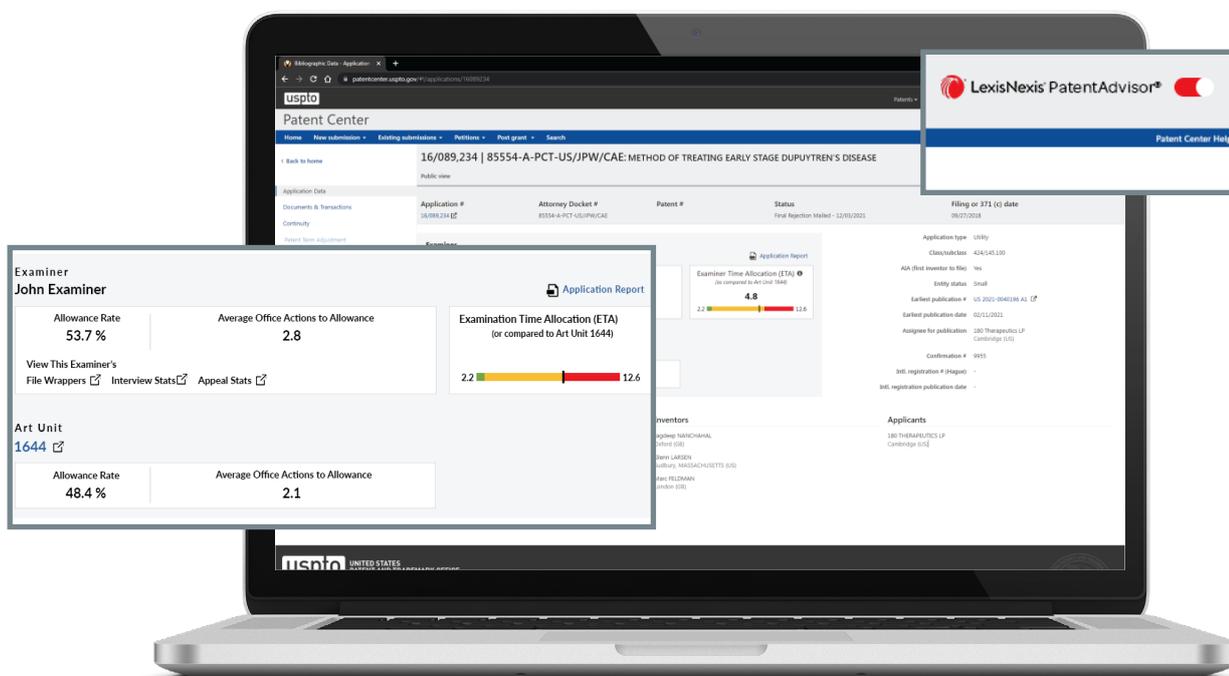

Download the new LexisNexis PatentAdvisor Extension for  
Google Chrome™, Mozilla® Firefox® and Microsoft Edge® browsers.

## Use the PatentAdvisor Extension to access the following:

- PatentAdvisor Examiner Time Allocation (PatentAdvisor ETA)—the single, most informative metric for predicting patent examiner behavior
- Examiner allowance rate
- Art unit allowance rate
- Average number of office actions to allowance for both examiner and art unit
- Access to detailed analytics on the full LexisNexis PatentAdvisor solution for the first 30 days

## A Patent Center search transformed with the new PatentAdvisor Extension
